Mutual Interest and Commitment

The parties agree that it is in the mutual interest of the College and the faculty to streamline processes and to maximize reimbursements to LCC resulting from SB 551. The parties make a commitment to collaborate in order to maximize reimbursements and recognize that SB 551 designates that any realized savings "are considered employment relations for purposes of collective bargaining under ORS 243.650 to 243.782."

No form shall be required.
 - b. Part-time faculty who meet the requirements outlined in "a" shall have the opportunity to opt-out of designating LCC as their home institution upon execution of this agreement and whenever they have a qualifying event. A form shall be required for all faculty wishing to opt-out.
